The Grooming Industries Very First ADA compliant dog grooming tub is now available for anyone managing a commercial or residential building that accommodates all users.

Groomer's Best ADA Compliant Walk-Through Bathing Tub system features all the conveniences today's groomer wants and needs. We've manufactured this tub 5" deep with taller legs to enable anybody in a wheelchair access to the tub. We've also lowered the faucet/sprayer for an easy reach, along with adding restraints to the front of the tub for an easy latch. Perfect for animals of all sizes, and includes our Lift & Slide ramp that allows for the animals ease of access and tucks away underneath the tub for your convenience. Constructed of 304 stainless steel. Includes a removable door and animal restraints. It will continue to pamper you with all these conveniences for a lifetime! Specify right or left plumbing. Raised Floor Grates, Plumbing Kit, and accessories available!

Features:

- Includes non-slip ramp with lift & slide design, door and leg levelers.
- 5" deep and with taller legs so someone in a wheelchair can easily reach over and wash the dog from head to toe.
- Lowered faucets and sprayer so they're accessible; anyone in a wheelchair can reach them.
- Groomers Best exclusive animal restraint system.
- Ramp and door are on opposite side of the plumbing
- Handcrafted in the USA
